July 1, 2022

Dear Valued Newfane Business Member,

I hope this letter finds you well.

As a business neighbor of Newfane schools, I would like to invite you to become a business member of the Newfane PTSA. This is a special class of membership that promotes a different kind of involvement than a traditional PTSA membership.

The PTSA and local businesses can work together to strengthen the school-community relationship. The students and the school district will benefit when they are supported. Your membership dues will help us promote the education of our children through special programs and projects not available within our school's budget.

There will be several different opportunities to access our community in order to promote your business. We will share and advertise your business on our Facebook page. We are always looking for event sponsors throughout the year. Your "Business for PTSA membership" is tax deductible and costs \$25.00 for one school year. Even though the membership has to be in a person's name, the PTSA will provide a framed 8 ½ x 11 certificate with your business' name as a member for you to proudly display.

Attached you will find the registration form. Please feel free to contact me directly with any questions or concerns.

I appreciate your support of and alliance with the Newfane PTSA. I also look forward to establishing a lasting relationship with your business.

Sincerely,

Corrie Murray
Newfane PTSA President
