

Newfane Central School District  
Spending Plan #2 - Completing the 1:1 Initiative  
May 18, 2020

It is the intent of this Smart Schools Investment Plan (SSIP) to purchase iPad devices for students, faculty and staff. These devices complete the District K-12 1:1 initiative. All elementary K-2 classrooms will have iPad classroom charging carts and a managed iPad device for each child. This SSIP includes the devices and protective cases for the iPads to be safely used in the elementary classrooms. Quantities, cost and funding source are listed below.
