SUMMER LEARN TO SWIM PROGRAM

If you have a son or daughter and would like to sign up for Learn to Swim lessons, this program is for them. Enroll in an American Red Cross “Learn to Swim Program”. This program is divided into seven levels. The prerequisite for each level is successful demonstration of the skills from the preceding level, except for level 1, which has no prerequisite. Our program will offer instruction designed to help swimmers of all ages and abilities develop and refine their skills. We will have an authorized Red Cross Water Safety Instructor teach a variety of strokes, including the front crawl, back crawl, elementary backstroke, breaststroke, sidestroke, and butterfly. They will also introduce a wide range of personal safety skills and possible diving techniques. At more advanced levels, students refine skills, learn the basics of springboard diving, and discover how to incorporate swimming into a lifetime fitness program. This program will fill up quickly so sign up today to ensure a spot. Please register by June 14, 2024.
