

Notice of Construction

Construction is anticipated to begin for the \$3,182,948 capital project approved by the Newfane Central School District voters on October 20, 2015. Portions of the construction, on a limited basis, is anticipated to begin on or about June 13, 2017 on afternoon shifts. Full project construction is anticipated to begin on or about June 21, 2017.

The following is a summary of the project work:

Building exterior work at the schools involving roofing improvements (including reconstruction and replacement of skylights) and masonry and wall improvements (including work on chimneys and building foundations); building system upgrades involving electrical system improvements (including distribution panels, switchgear and switchboards and service feeder) and plumbing upgrades; replacement of gymnasium floor at the high school; and exterior site work involving renovations to concrete steps and sidewalks, and pavement work.

Questions should be addressed to George Noon, Director of Facilities, 778-6856; or Bart Schuler, Business Administrator, 778-6855.

Notice of Construction Early Childhood Center egress doors

Construction is anticipated to begin for the week of February 20, 2018 for a project of approximately \$75,000 with an anticipated completion in March, 2018.

The following is a summary of the project work:

Building exterior work with the installation of 3 classroom egress doors with sidewalks leading from the doors to the bus circle.

Questions should be addressed to George Noon, Director of Facilities, 778-6856; or Bart Schuler, Business Administrator, 778-6855.

Notice of Construction Elementary School pool

Renovations to the swimming pool drain cover and resurfacing of the bottom of the swimming pool are anticipated to begin the week of March 19, 2018. This will complete the swimming pool construction project that included the installation of new starting blocks in December, 2018. Completion of the project is anticipated the week of April 9, 2018. The cost of approximately \$100,000 is the annual capital project for 2017-2018.

Questions should be addressed to George Noon, Director of Facilities, 778-6856; or Bart Schuler, Business Administrator, 778-6855.
