

Notice of Construction

Construction is anticipated to begin for the \$3,182,948 capital project approved by the Newfane Central School District voters on October 20, 2015. Portions of the construction, on a limited basis, is anticipated to begin on or about June 13, 2017 on afternoon shifts. Full project construction is anticipated to begin on or about June 21, 2017.

The following is a summary of the project work:

Building exterior work at the schools involving roofing improvements (including reconstruction and replacement of skylights) and masonry and wall improvements (including work on chimneys and building foundations); building system upgrades involving electrical system improvements (including distribution panels, switchgear and switchboards and service feeder) and plumbing upgrades; replacement of gymnasium floor at the high school; and exterior site work involving renovations to concrete steps and sidewalks, and pavement work.

Questions should be addressed to George Noon, Director of Facilities, 778-6856; or Bart Schuler, Business Administrator, 778-6855.
