Permission for photos/student work to be published

On occasion, we are fortunate enough to celebrate the achievements of our students by having their photos and/or work published in local papers and/or on our school website. In this day and age however, we want to make sure that approval for such things comes from home. If you approve of your son/daughter being recognized in this manner, please sign below. Thanks!

I give permission for photos of my child to be used for the purpose of recognizing student achievement/public relations.
