*"Together We Can"*

May 2, 2017

Dear High School Parents and Students:

Dan Bedette, our High School Principal, has had to take an immediate, unforeseen medical leave from his duties as high school principal. He recently had a successful surgical procedure but will be home for the next several weeks as he recovers.

In the interim, Assistant Principal Danielle Hawkins will take over the responsibilities for the day to day operations of the high school. Pete Young, our Director of Curriculum and Instruction and Jennifer Bower, our Director of Special Programs, will be assisting Mrs. Hawkins on a daily basis to ensure that we continue to meet the needs of our students as we move into the critical last couple of months of school.

We wish Mr. Bedette a swift and speedy recovery; in the meantime you can rest assured that we are well prepared to continue assisting our high school students on their academic journey towards graduation. If you have any questions or concerns, please feel free to contact me at the number above, or Mrs. Hawkins at 778-6550.

Sincerely,

A handwritten signature in black ink, appearing to be 'M. Baumann', with a long horizontal flourish extending to the right.
